

ATTOCK PETROLEUM LIMITED (APL)

PRE-QUALIFICATION NOTICE

Applications are invited for prequalification of financially sound firms/Contractors/Suppliers having experience in Oil & Gas Sector preferably Oil Marketing Companies (OMCs) for categories mentioned below:

Sr. No	Categories for Pre-Qualification
A	Civil Works: Job includes construction of bulk oil storage depots. Fabrication & installation of steel structures (gantries, pump sheds etc.), office buildings, warehouse and road networks.
B	Mechanical Works: Job includes construction of bulk oil storage depots. Construction of oil storage tanks in accordance with API 650, ASME Sec IX.
C	Electrical/Instrumentation Works: Job includes electrical / Instrumentation works of bulk oil storage depots. Complete electrical / instrumentation works study/evaluation, designs and solutions in accordance with API, IEEE and relevant electrical standards.
D	Piping Works: Job includes Fabrication, laying & installation of Piping in accordance with ASME B31.3, ASME Sec IX, NFPA and relevant piping works.
E	Construction of Retail Outlets
F	Supply of Material/Equipment:
F (1)	Pumps for Fuel and utility water etc.
F (2)	Fire Water Pumps
F (3)	Supply of piping materials (Pipes, Valves, fittings, Fasteners, Nuts & Bolts, Gaskets Insulation kits, Foam pourers)
F (4)	Supply of mechanical structure material (Steel Plates, Channels, Girders, Angles, Tee, Flat Bar, Round Bars, Hollow Sections etc.)
F (5)	Supply of instruments control equipment's (product meters, control valves, Relief Valves, vehicle grounding system, loading arms, Pressure & Temperature gauges, level gauges, overfill protection equipment)
F (6)	Supply of floating covers for fixed roof tanks
F (7)	Supply of electrical equipment's (MCC, MV / LV equipment & Panels, E & I Junction Boxes, UPS)
F (8)	Supply of Fire safety & Firefighting equipment including smoke & Gas Detection System
F (9)	Supply of Generators
F (10)	Supply of petroleum products dispensers at petrol pumps
F (11)	Petroleum product measurement and testing laboratory equipment

F (12)	Numbered Seal with sealing wires
F (13)	Supply of Electrical/Control Cables
F (14)	Supply of Security Equipment (Cameras, metal detectors, walk through Gates, Hydraulic Barriers)
F (15)	Supply of Industrial Lights (LED /HPIT, Explosion Proof Canopy ceiling lights, Pole / Flood Lights)
F (16)	Supply of Operational Items like Oil Measuring/tank gauging instruments (Dip Tape, Dip Rods), Hydrometers, sampling pots, buckets, sampling thief bottles, Helmets, dye with MSDS of consumable items etc.
G	Fabrication & installation
G (1)	Fabrication & installation of signage for retail outlets
G (2)	Fabrication & installation of canopy structure of retail outlets
G (3)	Fabrication & installation of underground storage tanks 3000, 5000, 6000 and 10000 gallons capacity.
H	Supply, Installation and Commissioning of Solar System at APL retail Outlets
I	Supply, Fabrication & Installation of Prefabricated Structure
J	Consultancy/Designing Services for Civil/ Mech/Electrical & Instrumentation Works of bulk oil storage depots
K	Engineering Services for Soil Testing/Topographic survey.
L	Supply of Uniforms for Staff at Retail Outlets and General Workers at Offices/Terminals
M	3 rd Party Certification of Prover Tanks/ Storage tanks / Metering system / CP Testing, Surge analysis, Tank lorry calibration units etc. 3 rd Party NDT inspection works of bulk oil storage depots.
N	Petty Contractors: are invited for petty mechanical, civil and electrical jobs at APL Terminals & Retail Outlets. <i>(Jobs less than 2 Million)</i>

Interested Contractors/firms/Joint Venture (JVs) registered with the Pakistan Engineering Council (PEC) in the Serial No. A to E having required technical, financial and management capabilities and desirous to get themselves pre-qualified for the above said works, are requested to submit their applications strictly in accordance with the laid down criteria to the office of the Procurement Incharge (APL), along with complete set of Pre-Qualification Documents up to **October 28, 2016**.

Following information should accompany the application:

1. The firms/contractors/JVs should have relevant experience not less than five (5) years for categories A, B, C, D, E, G, J, K, M & N and not less than three (3) years for categories F, H, I & L.

2. Name and address (registered office) and branch offices. Status of firms (i.e. partnership, JV or limited).
3. Registration of firm with Pakistan Engineering Council, renewed for the year 2015-2016.
4. Copies of latest NTN and GST/ Provincial Sales Tax (Punjab, Sindh, KPK - where applicable) registration certificates.
5. An undertaking affidavit by the firms to the effect that “neither the firm nor its directors/stakeholders, as whole or as a part of the firm have ever been blacklisted/defaulted by any government agency/department/civil organization/financial institutions and also that information supplied by the consultant/firm/JV/contractor is correct.
6. Bank/Account financial statements for last three years.
